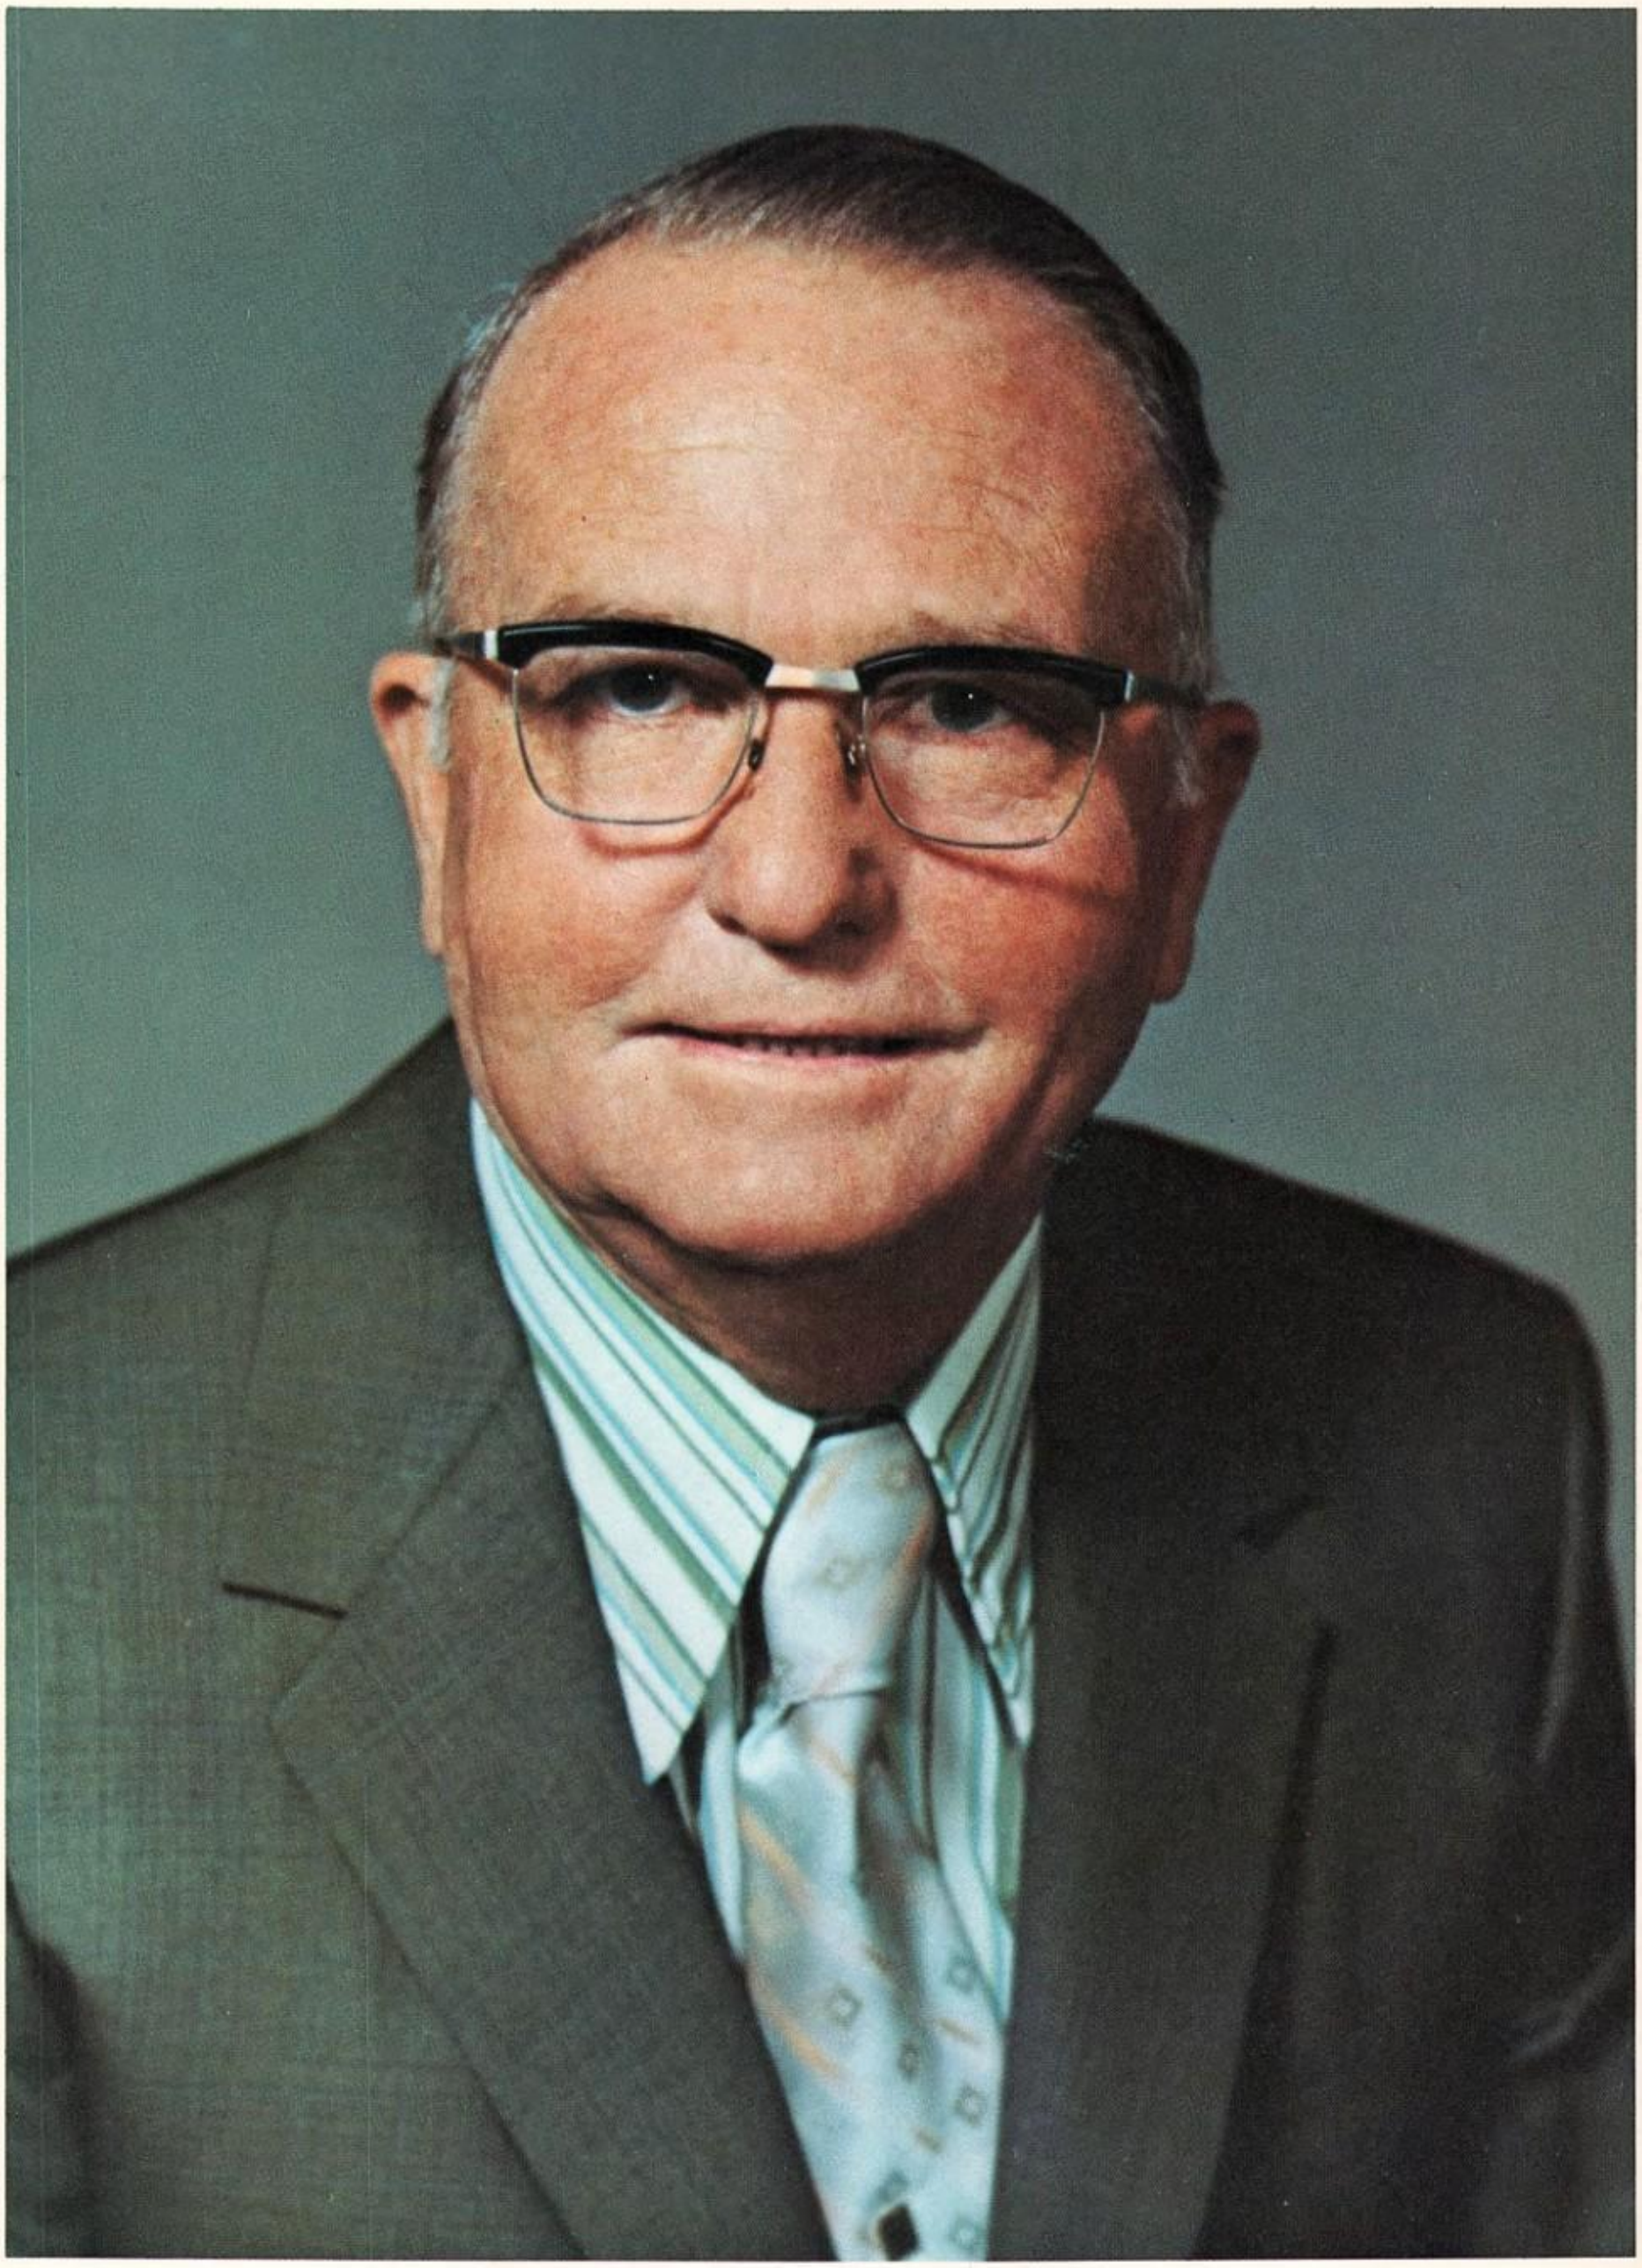
Mrs. Myrtle Hirschi Ledford

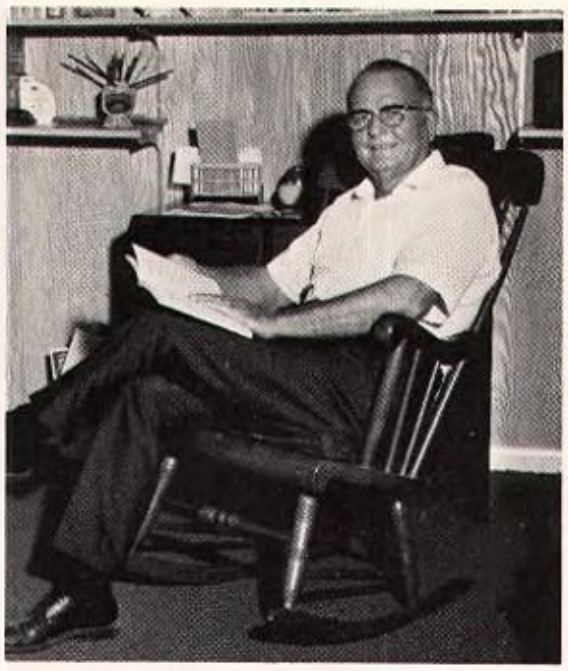
One of our most treasured friends is MRS. MYRTLE HIRSCHI LEDFORD.

Always interested in the young people of Wichita Falls and especially of Hirschi, Mrs. Ledford has enriched our lives through her presence at athletic events, assemblies, and class activities.

It is with special honor that the *Husky* Staff of 1971 express the appreciation of all students and faculty to Mrs. Ledford for her continuing love and devotion.



A. D. Neal



The 1971 *HUSKY* is lovingly dedicated to our principal Mr. A. D. Neal, for whom we have tremendous admiration and genuine respect. A dedicated man, Mr. Neal has touched the lives of many young people. He is an able administrator who is also a dear friend to both student and teacher.

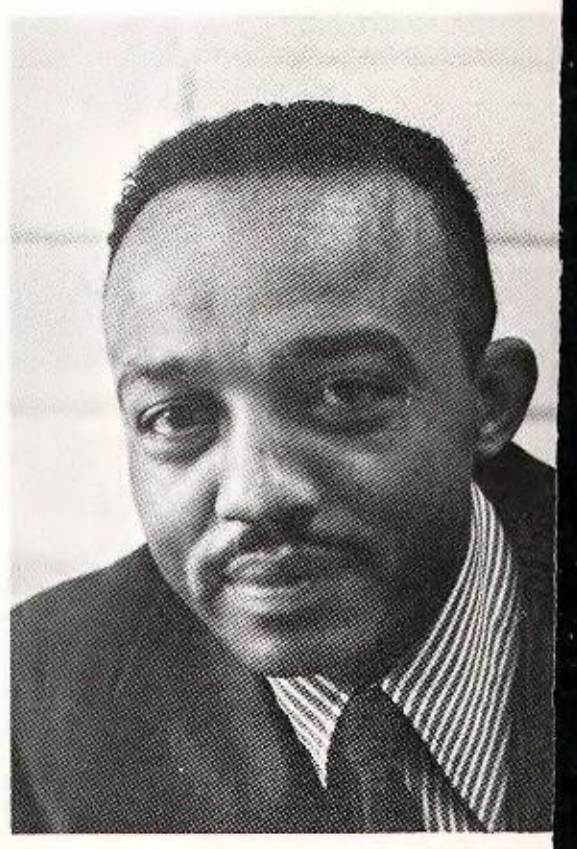
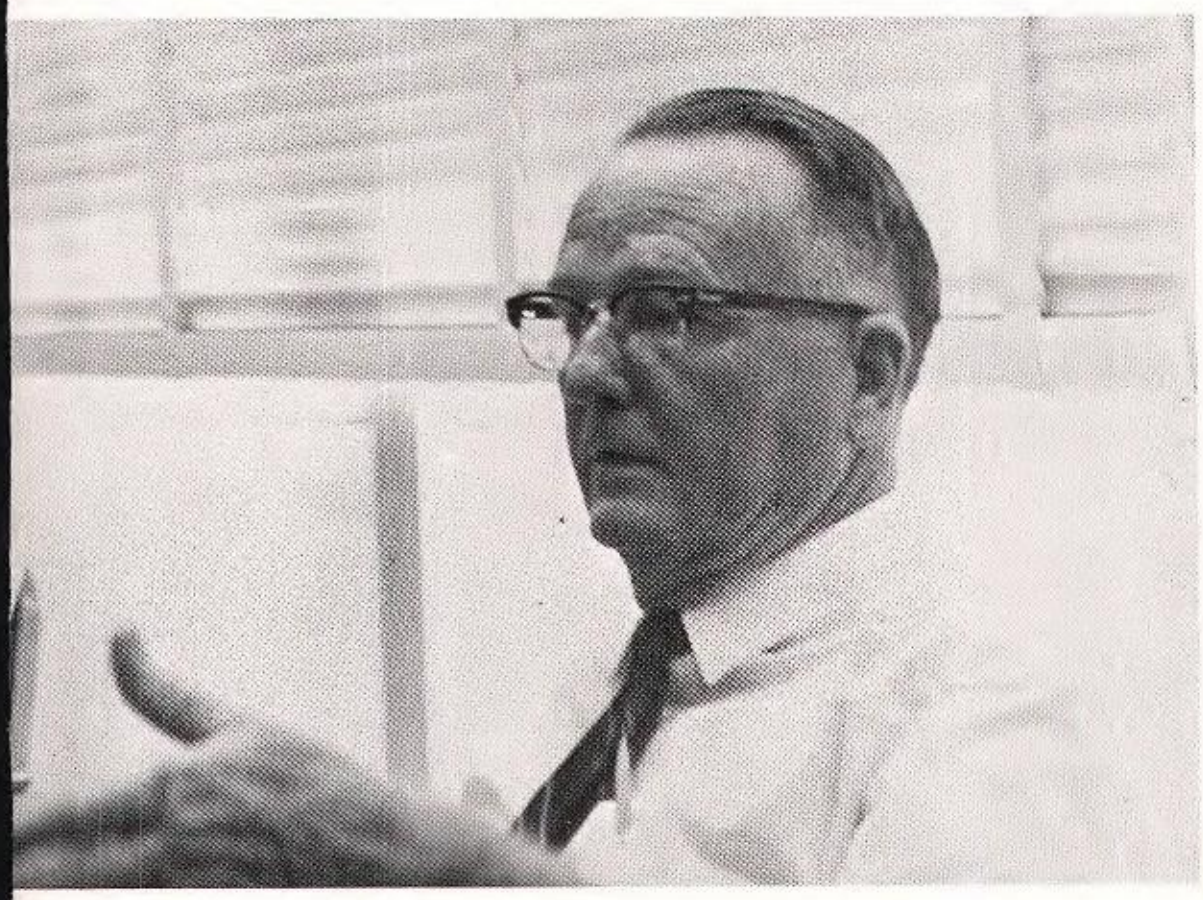
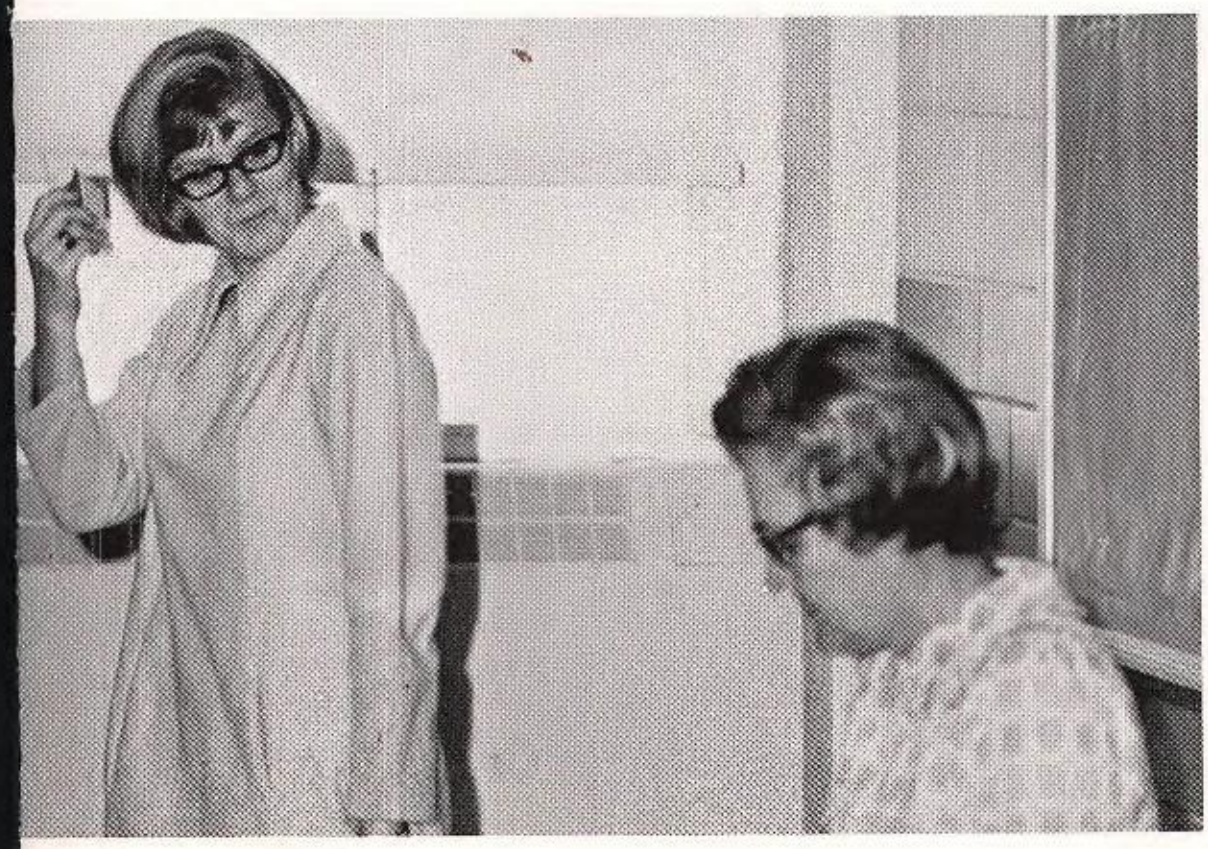
Administration



Hands are for touching





Administrators

Coping with common and crucial problems, the administrative staff assumes the major burdens of the local schools.

MR. G. H. KIRBY, in his first year as Superintendent, has coordinated the feverish activities of the three high schools, five junior high and twenty-two elementary schools in our community.

Mr. Kirby guides the administrative staff by the suggestions he offers and the decisions he reaches. Ruling on a variety of matters, the administrators direct their work toward the establishment of a progressive policy of educational standards.

School Board

Local problems among schools need administrative action. The Wichita Falls School Board has endeavored to solve these problems and act as a link between the schools and the community.

DR. JOE STEED, President

Our Principal

In a career which has spanned forty-five years, Mr. A. D. Neal has taught a variety of subjects including math, science, mechanical drawing, and shop; and he has also coached football. Before assuming the principalship of Hirschi High, Mr. Neal was Dean of Boys at Wichita Falls High School.

Three of Mr. Neal's children, a daughter-in-law and a son-in-law are members of the teaching profession, which is a tribute to the leadership and influence of this dedicated man.

Capable of maintaining his convictions, Mr. Neal has ever remained a friend of the students, encouraging them to try new paths and reach higher goals.

Having launched our school nine years ago, Mr. Neal has been a vital factor in the Spirit of Huskyland; he has truly exemplified the *Spirit of the Twelfth Man*. Indeed, Mr. Neal is a man whose company and leadership we shall miss.
